Professional Profile

- I am a reflective person with a strong inclination to listen. This attitude allows me to quickly absorb and apply new concepts. I am eager to put into practice the theoretical knowledge acquired during my studies while continuing to broaden it, with the goal of growing professionally and bringing added value to the team I will be part of.

Education

- **Master's Degree in Computer Science (Class LM-18)** **Sep 2026 – Present**
  University of Salerno *Fisciano (SA), Italy*
  – **Curriculum:** Cybersecurity

- **Bachelor's Degree in Computer Science (Class L-31)** **Sep 2023 – Sep 2026**
  University of Salerno *Fisciano (SA), Italy*
  – **Thesis:** Visual Cryptography and Secure Computation: a Python Implementation of the V2PC Protocol, supervisor Prof. Roberto De Prisco
  – **Final grade:** 100/110
  – **Relevant courses:** Databases, Algorithm Design, Security

- **Technical High School Diploma in Computer Science and Telecommunications** **Sep 2018 – Jun 2023**
  I.I.S. "Basilio Focaccia" *Salerno (SA), Italy*
  – **Final grade:** 100/100

Language Skills

	Understanding		*Speaking*		*Writing*
	Listening	Reading	Interaction	Production	
Italian	Native speaker				
English	B1	B1	B1	B1	B1

B1 Certificate – University of Salerno, A.Y. 2023/2024

Soft Skills

Interpersonal and communication skills

- **Teamwork and collaboration:** strengthened through university group projects in which I actively contributed to design and development, coordinating with my teammates on task allocation and code review. This attitude is also reflected in my musical experience: I play the guitar in the parish choir and, on several occasions, with musicians from outside the parish, settings that require listening, adaptability and coordination with different people.
- **Communication and group management:** as youth section coordinator in Catholic Action (Azione Cattolica) since 2023, I lead a group of teenagers aged 14 to 18, working with other educators to plan, promote and run meetings and events. This experience has trained me to communicate clearly with people of different ages and backgrounds.

Organisational skills

- **Time and priority management:** developed by balancing university studies with my ongoing commitment to Catholic Action and the regular rehearsals of the parish choir, settings that require planning and meeting fixed deadlines.
- **Self-directed learning:** I independently learned the ChordPro format and the musical instrument, then applied the acquired skills in a real-world context.

Technical and Professional Skills

Languages: C, Java [JDBC, Jakarta EE] *(Good)*; Python [NumPy, Pandas, Matplotlib, music21] *(Good)*; R *(Basic)*; HTML/CSS/JavaScript *(Good)*;
Databases: MySQL *(Good)*;
Operating Systems: Windows *(Excellent)*; macOS [bash/zsh terminal] *(Good)*;
Development Tools: Git/GitHub *(Good)*; Docker *(Basic)*;
IDEs: IntelliJ *(Good)*; Visual Studio Code *(Good)*; NetBeans *(Good)*; Eclipse *(Good)*;
Documentation and Design: LaTeX *(Excellent)*; StarUML *(Excellent)*; Canva *(Excellent)*;
AI Tools: ChatGPT, Gemini, Claude, GitHub Copilot, Perplexity *(Good)* – use of structured prompts to support development and documentation, with independent validation of the generated output;
Other: AutoCAD *(Good)*; ChordPro [digital music notation] *(Excellent)*; Arduino *(Basic)*.

Associations and Volunteering

- **Catholic Action (Azione Cattolica) Educator** **Oct 2021 – Present**
  San Gregorio VII Parish *Battipaglia (SA), Italy*
  – Until 2023 I was in charge of the Christian formation of children aged 6 to 14. In 2023 I was appointed parish youth section coordinator for a three-year term, and I now lead a group of teenagers aged 14 to 18, working closely with the other educators to plan, promote and actively manage meetings and events.

Hobbies, Interests and Artistic Skills

- **Guitar and music:** I have been playing the guitar since 2021. I started with a few private lessons and later refined my musical skills and knowledge in the parish choir. Combining my passion for music with my passion for computer science, I learned to use the ChordPro music notation format and have actively contributed songs to the Canti Cristiani app.

I authorise the processing of the personal data contained in this curriculum vitae pursuant to Legislative Decree 196/2003, as amended by Legislative Decree 101/2018, and Article 13 of Regulation (EU) 2016/679 (GDPR), for the purposes of recruitment and personnel selection.

Battipaglia, November 4, 2026

Gennaro Carmine Tozza
